

Rebmann Research is in progress to get  
worldwide dental data

**Atlas Dental Europe**

**Atlas Dental Africa**

In progress:

**Atlas Dental Americas**

**Atlas Dental Asia**

Market analyst Marlen Rebmann is visiting the CIOSP in Sao Paulo from 22 to 25<sup>th</sup> January 2025.

How has the dental industry developed across the Americas as a whole, and in the specific country markets in particular? Answers to this and many other questions are provided in the new Atlas Dental Americas by Rebmann Research, which will be released in mid-2025.
